4. Experience of leading at least three large scale education reform projects, preferably with the Government.

About Schoolnet Group

Schoolnet is a leading School Transformation Solution provider, with more than 25 years of experience in implementing projects ranging from deployment of technology in schools and classrooms, training of teachers, sessions with students, development of multimedia content on a range of devices, and community engagement projects.

Together with our partners and subsidiaries, we envision, create, and implement solutions spanning education, employability, and employment. In the last 25 years, we have empowered 25 millions of students, teachers, and youth in India and outside with life-improving capabilities.

We provide synchronized In-School and After-School digital solutions to K-12 schools, as well as students, in the Middle and Bottom of the Pyramid (MBOP). Through our subsidiary Learnet Skills, we offer skills training programmes for inclusive growth for students in school, unemployed youth, trainers, and the existing workforce leading to employability, employment and/or productivity enhancement.
